Harvest Life Style Covenant

I understand that our purpose this summer is to glorify Jesus Christ in all that we do, say, and think. Because of this high calling and my love for Jesus, I willingly agree to live a life worthy of His calling - a life free from illegal drugs, alcohol, cigarettes, tobacco products, swear words, unnecessary gossip, unnecessary complaining, and sexual impurity. I will not wear clothing or listen to music that does not edify and glorify God. I understand that breaking this covenant with Harvest Ministry Teams will result in discontinued travel with the team.
